FIspace Business Collaboration

FIspace is...

Facebook/LinkedIn-like Platform/Ecosystem to provide easy and affordable ICT support for Business Collaboration Processes encompassing:

- Information provisioning for Business Collaboration Processes thus supporting instances of Business Processes
- Finding, connecting and using a wealth of data sources (IOT, Services, Legacy Systems) - B2B
- Finding, connecting to (and using data from) Government Agencies - B2G and G2B!
- Providing a platform for App developers !
- Providing a platform for Business Engineers (BCM)!

If we succeed, and yes we can, it will have huge impact on business innovation
